Headlines and Concerns:

- Corpus Christi procession to include music – Beth will check with Julie E. how HNJ did this (music on phone), especially since SD to HNJ is a longer distance. Route worked well last year, may stay the same.
- St. Dominic Feast Day is on Saturday August 8th (social) w/ St. Dominic readings for that weekend– Ushers pay for food (Larry K. to be contacted), Beth to call Julie B. & Ann S. for food prep. & Jeanne B to call Pam D. for decorations Sue R. to request PAC and set up of tables/chairs, Bierman's (Environment) to move St. Dominic statue to front of church.
- Locking of Church Doors – Larry K. has written letter to Fr. Nick. Procedure is not yet finalized.

Other Topics:

- Adoration Chapel – Clear signage and directions for Reinl Center (824 Superior Ave.) for people not familiar with HNJ who attend Adoration from other areas of Sheboygan County. Clear signage to communicate the Reinl Center location would be very helpful since it's not inside HNJ church..
- Server Update – four new adult servers will be added to the roster.
- Father's Day Gifts – Sue R. will check if sausages are given to men again this year and who will provide them.
- SD 100th Anniversary - Mike Short and the committee are in the planning stages, more details to follow – obtaining a relic has been suggested.
- Younger people being involved in musical and liturgical roles is an ongoing concern.

Shout Outs:

- Berres family – Gift Shop
- Fathers – for Father's Day
